

Next Generation Networks in Neuroscience from a career development

18:45-21:00, Sunday, 3 July 2016

Meeting Location: Room 18+19, Level 1, Bella Center

We invite young neuroscientists, interested in networking as a tool to develop career perspectives, in the field of human mind, disease related neurosciences, or basic and translational neuroscience, to meet and mingle with music, drinks, food and good company. All alumni of FENS training activities are also warmly welcome! Short welcoming words and information about the [Human Mind Research Programme of the Academy of Finland](#), the support potentials of [ERA-NET NEURON](#) and the training space of [FENS-CHET](#) will be featured during the gathering. Representatives from the [European Research Council \(ERC\)](#) will be present as well.

Scheduled talks while networking

Training & Education and career perspectives: the activities of FENS- CHET (10 min)

Menno P. Witter

Chair, FENS Committee of Higher Education and Training (CHET)

ERA-NET Neuron, Network of European Funding for Neuroscience Research (10 min)
